

# J Whitaker Golf

## Moor Allerton Golf Club - Professional's Shop

James Whitaker is the Head PGA Golf Professional and Nike Ambassador at the beautiful Moor Allerton Golf Club near Leeds. After managing the Nike Golf Academy, being Head Teaching Professional at De Vere Oulton Hall and qualifying at the Belfry, James was appointed the Head Professional at Moor Allerton. He immediately decided to make the professional's shop a memorable retail experience for members and visitors alike with a total refurbishment.

Utilising a range of energy saving Déluce Lighting products Jame's vision has become a reality and the results are truly impressive, the shop has a real high street/mall look and feel.

The Déluce Lighting 10W LED downlights, LED strip lights, CFL downlights, adjustable wallwashers and battens are all used to create the right atmosphere and ambience and James is delighted with the results.
